Washington Elementary School District
Strategic Plan Outcomes
2015–2018

Technology Plan Outcomes

1.0 Arizona Department of Education (ADE) Accountability Measures

1.1	WESD meets technology standards for administering state-mandated assessments.

2.0 Community/Parent Access

2.1	WESD provides appropriate, secure online parent access to student data.
2.2	WESD has developed an online application to facilitate the use of District facilities by businesses and the community.

3.0 Infrastructure/Hardware/Software

3.1	WESD provides students with e-mail access.
3.2	WESD has implemented teacher resource sharing through Mcrosoft Office 365.
3.3	WESD has installed and configured Synergy's grade books District-wide.
3.4	WESD has developed an online PAR (Personnel Action Request) form.
3.5	WESD has installed and configured wireless access points in 16 WESD schools and applied for E-rate funding to help pay for wireless connectivity in the remaining 16 schools.
3.6	WESD has migrated all e-mail to Microsoft Office 365.
3.7	WESD has investigated and implemented additional Microsoft Office 365 offerings to help improve District communication.
3.8	WESD has implemented shared calendars.
3.9	WESD has completed implementation of SchoolMessenger mass notification system.

4.0 Student Use

4.1	WESD maintains current Student Acceptable Use policies.

5.0 Staff Use

5.1	WESD maintains current technology policies and regulations.
